### **The Friendship Club**

The friendship club is a program designed to help children who want to learn how to make friends and play cooperatively. Children will learn about greeting, sharing, turn taking, participating in conversation, and resolving conflicts. Self-regulation, empathy and sportsmanship will also be addressed. The group will be led each session by a preschool teacher and a licensed occupational therapist or speech-language therapist.

**Must be 4 years old by December 2, 2010**

**Mondays and Wednesdays 2-4 p.m.**

**July 12-28th**

**Cost: \$240.00**

### **Kindergarten Readiness Program**

This program is designed to develop reading readiness and skills in the areas of drawing, coloring, identifying letters and numbers, rhyming, counting, cutting, and pasting. Activities help develop listening skills, following directions, sequencing, story telling, and social play skills. The group will be led each session by a preschool teacher and a licensed occupational therapist or speech-language therapist.

**Must be 5 years old by December 2, 2010**

### **Let's Do Lunch**

This interactive food and cooking theme based group program was developed to help expand what your child will eat and their willingness to try new foods and/or textures. Goals include, creating positive experiences with food; establishing a meal time routine; increasing the range of foods your child will try; and providing parent education on how parents can positively affect their child's eating habits. Following directions, vocabulary and sequencing skills are also incorporated into this group. The group will be led each session by a preschool teacher and a licensed occupational therapist or speech-language therapist.

**Must be 4 years old by December 2, 2010**

**Tuesdays and Thursdays 1-3 p.m.**

**July 13-29th**

**Cost: \$240.00**

### **Summer Adventure Camp**

This exciting new program at RBCPC is for your preschool aged child with special developmental needs. A highly qualified preschool teacher will run this class. Specialized lessons in collaboration with occupational therapy, speech therapy, and physical therapy will provide additional developmental enhancement. Classes will be theme-based, and will address group play, language, social emotional regulation, motor coordination, rhythm, and music. Typical peers are welcome to attend.
